MEMORANDUM NO. 2012-110

TO: District Superintendents

FROM: Cindy Hill

DATE: July 30, 2012

SUBJECT: John P. Ellbogen Foundation; \$500,000 competitive grant opportunity

The John P. Ellbogen Foundation is making a \$500,000 competitive grant opportunity available to community, regional or state partnerships comprised of health care providers, early childhood organizations and educational entities. If your district is considering a school-based health clinic or mobile medical/dental van to provide greater access to wellness and prevention education and health care services to families with young children, please go to www.ellbogenfoundation.org and click on competitive grant information. At the website, you will find a PDF document with more in-depth information regarding this competitive grant (also included in this memo) as well as the proposal form. Templates for the budget and for the action plan are also available for downloading.

If you have any questions about this grant proposal process, please contact Rae Lynn Job of the John P. Ellbogen Foundation at 307-389-8504 or rjob@wyoming.com.
